

## 34.BI-MU closed: 35,000 trade operators attending the event

22.10.2024

*17 October was the closing day of 34.BI-MU, the international biennial exhibition dedicated to the industry of machine tools, robots, automation, digital and additive manufacturing and subcontracting, held at fieramiliana Rho from Wednesday, 9 October. Organised by EFIM-ENTE FIERE ITALIANE MACCHINE and promoted by UCIMU-SISTEMI PER PRODURRE, the Italian machine tools, robots, automation systems and auxiliary products manufacturers' association, 34.BI-MU featured the best of the international sector production, an expression of the product offerings of over 750 companies, 8.3% more than those registered for the 2022 edition, on a total area of 65,000 square metres.*
